

### The Bulldog Club Brief – Fall 2018

This fall, the Bulldog Club was able to maintain the momentum to support its mission statement as it relates to ALL AGMS students: “Supporting ALL AGMS students, what and where they play.”

To date for the 2018-19 school year, we have raised \$34,000 this year through 305 individual donations and banner sales.

Here is a snapshot of what your donations to the Bulldog Club have funded so far this year:

- *Purchased new football uniforms (away this year, we did home last year)*
- *Purchased new softball uniforms*
- *Provided all new FIT equipment for all students*
- *Upgraded the field maintenance contracts (football and baseball) with additional scopes of work to include weed prevention, regular fertilization and soil testing. Procured the services of a new maintenance contractor that has the appropriate equipment to maintain an athletic field*
- *Trimmed trees around the baseball field to get branches out of the field of play*
- *Purchased training aids for a variety of sports*
- *Purchased new protection mats for the baseball/softball home plate area*
- *Purchased new mats and repaired fencing around the batting cage area*
- *Purchased dirt and assisted parent volunteers to get the softball field ready to play for the fall*
- *Arranged for food trucks at the football games*
- *Refinished the gym floor*

As you probably know, the main field upgrade was completed last summer and the field withstood the fall football season in fine shape. Special thanks to Head Football Coach Wilmot who practiced in the gym during wet weather to keep the field in good condition. Mr. Folk is still working with CMS on resurfacing the track. We have several projects in the works for spring, stay tuned for more information on those. Also, we would like to give a special thanks to Harrison Jones who is helping coordinate the maintenance of the baseball infield. It's a lot of work and we really appreciate it.

Fall Sports Teams Results:

- *Golf went undefeated with a 6-0 record*
- *Softball finished with a 10-4 record*
- *Football finished 3-4*
- *Volleyball finished 1-13*

Thanks to your generosity and support, Bulldog Spirit is alive and well and great things are happening!

Sincerely,

Stacy Beard  
Kipp Kiger
