

Join the AG Bulldog Club

Show your enthusiasm and help celebrate **100 Years of AG** by joining the AG BULLDOG CLUB! The AG Bulldog Club promotes and supports all PE and athletic programs at AGMS. The money raised in our membership drive supports EACH AND EVERY ONE of our students EVERYDAY through the purchase of equipment for FIT and the maintenance of all athletic/PE fields. Some of the items your Bulldog Club dues helped pay for last year include:

- Refinished the gym floors
- Provided all new FIT equipment for all students, each semester
- Away Football, Cheerleading, and Softball Uniforms
- Training Aids for a variety of sports
- Materials to condition baseball/softball fields (also used for kickball in FIT)
- Repaired fencing around the batting cage area
- Maintenance for all fields (mowing, weed prevention, regular fertilization and soil testing)
- Tree work around the campus to keep trees from interfering with the playing fields and track
- Coordinated with an anonymous donor to perform significant upgrades to the baseball/softball field, including a new warning track and scoreboard.
- Worked with CMS to get a Conex trailer for the campus to allow secure, safe storage of maintenance items
- Helped organize Fall, Winter, and Spring Sports Award Nights

The Bulldog Club 2019-2020 school year goals include:

- Maintenance of all athletic/PE fields
- Purchase of FIT equipment for each grade
- Materials to condition all athletic and FIT fields
- New golf and volleyball uniforms
- Purchase equipment and training aids for all sports teams
