## Minecraft Club

Students will engage in online gaming using the software Minecraft with fellow classmates. Students will learn to cooperate with each other and learn proper online etiquette when using online software. Learning social skills while playing online games/using critical thinking skills in creating "online worlds" is an important skill for middle school students to learn.

Students will learn hand lettering (calligraphy) basics. Students will work towards creating a final piece to leave with to showcase their new talents. Students will need to bring the required materials; however, workbooks will be provided for students to use and learn their new writing skills and take with them to continue their new hobby.

## Handwriting Calligraphy Club

## Anime Club

Anime Club participants will watch anime, discuss anime, read graphic novels, and learn about Japanese culture and explore the history of anime!

Rise and Grind is all about improving performance on the court. This club will be a combination of basketball drills, skills training coupled with some expert conditioning routines to help aspiring athletes get better at the game of basketball. On the outside lower court and inside on the AG gym floor!

## Chess Club

Learn to master the skill of mind and focus with the game of chess. Prior skill and knowledge of the game of chess is not required, but a willingness to learn is!

## The Great Debaters Club

## Choir/Chorus Club

## Rise & Grind Basketball Club

## Table Top Dungeons & Dragons Club

Table top roll playing is a game where the players learn cooperation, use imagination and creativity to create a story that is player driven. Chromebooks or other technology is helpful but not required to participate.

The aim of the Great Debaters Club is to empower Academy students with the skills of expressing their beliefs clearly and concisely, public speaking and effective communication in a formal setting, and staying aware of current events in the world. This club will have a planned public address rehearsal in the multipurpose room.
