- Mr. Conner was pleased to share that the 8<sup>th</sup> grade science position was filled
- ELA MAP testing is underway, Monday will begin the Math MAP

Mr. Conner will provide parent education Zoom to help parents understand the data. MVPA report & MAP report will be sent home for each student and Mr. Conner will send a communication when the report is sent home to remind parents to ask their child
- Letters will also go out to parents for students that have "F" and there is a strong possibility that the student will be retained.
- A grant allowed for motion detectors in 8<sup>th</sup> grade bathrooms
- Smart pass is in the process of being approved by CMS. Smart pass is technology that is issued by teachers to students to restrict the number of students in the hallways at the same time. PTO paid for smart pass.

4. Financial Report

*Mickie Huneycutt*

- AG PTO is continuing to raise money for the AG fund with more corporate sponsors. Currently at a little over \$81,000. Huge thank you to Jennifer and all of her hard work!

5. Other Business

*Carolyn Floyd/Tempie Largen*

- Staff Appreciation – candy bar for staff for Valentine's Day
- Teacher Needs – PTO distributed supplies to over 70 classes
- In Reach – met with counselor slast week to revisit what they have done this year. We could serve approximately 150 bags in the future. In the future, will distribute so the students will not have to pick up at the school. The ML event was not well attended. Discussed the possibility of going into

the community as opposed to having those families come to AG. Counselors will continue to determine how best to use carryover money.

- Student Council – had planned the carnations for Valentine’s Day but they did not get approval so are not doing this year. Student Council has not had many projects approved this year. Team discussed how best to help them moving forward.
- Prospective Parents – 2/13 at 6:30 pm
- 8<sup>th</sup> grade – hot cocoa cart was successful. Tempie let team know there is free popcorn from Bojangles Coliseum that can be used for students. Cecily will talk to event chairs
- Bulldog Club is happy with the \$5,200 commitment from AG PTO. AG has committed to Phase 1 but we have not received CMS approval and because of this, everything is on hold until the summer. The entire project is approximately \$37,000 if we did it in one phase. AG PTO discussed options to make sure they receive credit as well as Bulldog Club. Executive Board will contribute \$25,000 and the Bulldog Club will give their amount. \$5,200 is already committed. Cap at \$30,000. Team will vote via email.
