

Marketing and Communications Policies and Procedures

AGMS PTO

The goal of these procedures and policies is to help all committees get information out quickly, effectively and accurately. It is the responsibility of every committee chair to be aware of the procedures and to submit information **regardless** of whether it is already on the school calendar.

PTO Executive Board and principal have final approval on all communications and the right to edit text submitted for clarity, brevity, etc.

Scope of Approved Communications

- The communication avenues described in the remainder of the document will be used only for topics that are directly applicable to AGMS, students or parents.
- Topics that are outside events or offers will **ONLY** be approved if they directly relate to AG school students or parents (sports offerings for applicable age group).
- Events or offerings for other schools will not be included, unless they are specific for rising students or prospective parents.

I. PTO Calendar

- The PTO maintains a calendar of PTO events throughout the year, which is on the PTO website. It is the responsibility of every committee to ensure the calendar is accurate and updated with changes. Any changes should be sent to the PTO co-presidents at agmsptoinfo@gmail.com.
- The school staff also maintains a calendar of school events to ensure appropriate rooms are reserved. The two calendars should always be in sync.

II. Weekly Email Communication

- The weekly PTO email newsletter, the Bulldog Bulletin, is sent on Wednesdays.
- The deadline to be included in the newsletter is the **Friday** prior to publication date.

 - Specific dates and times (e.g. deadlines, beginning/end time of events).
 - Contact information for questions (name, email and phone number).
 - Links to be included. You may also include graphics and/or photos.
- Newsletter items should be sent by the Friday before it is needed to run to agmspto.org/bulldog-bulletin-social-media-submission-form/
Or AGBulldogBulletin@gmail.com with copies to the PTO co-presidents at agmsptoinfo@gmail.com.
- At the conclusion of your event, please consider a newsletter publication to update AGMS families on the result (e.g. amount raised at spirit night, pictures of the event, thanking volunteers for their help).

III. Social Media

- Social media may be used to make announcements regarding school and PTO events.
- AGMS social media accounts are owned and maintained by an AGMS CMS employee, and all requests should be submitted five days prior to the post date.

- All events that are submitted for the Bulldog Bulletin weekly email will automatically be considered for social media.
- Additional items to be included on social media (that are not in the Bulldog Bulletin) should be sent to agmspto.org/bulldog-bulletin-social-media-submission-form/, with copies to the PTO co-presidents at agmsptoinfo@gmail.com.
- The request should include:
 - Brief text to be used in the post, appropriate for Facebook, Instagram, and Twitter.
 - Provide an image to be included, if appropriate (note: Instagram requires an image).
 - Date the item should post to social media.
